Cognos Names Adaptive Solutions Inc. Platinum Reseller Partner

May 12th 2008 (Rancho Santa Margarita, CA) – Within one year of becoming official partners with Adaptive Solutions, Cognos today named Adaptive Solutions Incorporated a **Platinum Reseller Partner**. Platinum status represents the highest level of partnership and recognizes Adaptive Solutions' ability to resell and implement Cognos technology.

Cognos has 5 types of partners: Technology, Consulting, OEM, Reseller and Powered by Cognos Partners. Reseller Partners sell Cognos products and provide business intelligence, enterprise planning and corporate performance management consulting services, ensuring the successful implementation of Cognos products.

Reseller Partners have invested the time and resources to train their solution delivery specialists on Cognos products through the Cognos training and certification programs.

“We are proud to be considered a top partner of Cognos Corporation and look forward to continued success in implementing Cognos solutions”, said Dave Boniface, Executive Director at Adaptive Solutions Incorporated. “While we have a great track record in reselling software, we are most recognized for our implementation success and customer satisfaction. The partnership with Cognos will provide us with access to additional resources to help us make our clients successful.”

Adaptive Solutions currently resells all Cognos products and training services. For more information please contactus@adaptiveusa.com
